Surcharge Notice:

It has been our goal to make our pilgrimages more efficient and affordable to all. For several years in a row we've offered the lowest priced full-packaged pilgrimages going to Medjugorje. As you know, tax and gratuities are a necessary part of any travel. Our experience has shown us these necessary expenses can be annoyances, which seem to always be creeping up throughout your travel. **To make your pilgrimage as free from these worldly things as possible, we have arranged for all airport taxes, government taxes, bus tips, and other gratuities and domestic help and other surcharges to be combined and included in the ticket price.** This is again provided as a convenience for you to give you the best pilgrimage, free from annoyances, that you may be more concentrated on prayer. Please remit this payment as soon as you receive this notice.

Health:

All physical infirmities such as blindness, impaired vision, deafness, hearing loss, chronic conditions, as well as physical and mental disabilities must be mentioned in the trip application. Please be aware of the difficulties in going to Medjugorje. Accommodations, flights, etc., may not be as one expects. Our Lady, in Her call to the faithful to come to Medjugorje, has reminded us that the way there will not be easy, and there will be some trials. People get tired, frustrated, impatient, etc. We try to remedy this to the best of our ability, and there are many things we try to work around. Our Lady has promised special graces for these trials. At times, during this trip, you may earn some of these special graces. Please remember this is a PILGRIMAGE and not a vacation, and offer all difficulties and sufferings as a sacrifice so you may receive more grace. You surely will return home with renewed hope that the peace which Our Lady is striving for will soon be yours. If you travel to Medjugorje with this understanding, your pilgrimage will be an unforgettable addition to your memories and a faith storehouse; one from which you can draw strength from regularly, during the coming days, weeks, and years. Remember, it is Our Lady who appears on a seemingly impassible rock-strewn mountain, calling you to climb it.
